Student’s Final Report on Research Rotation (NRSC 700)  
GIDP Neuroscience

Upon completion of the rotation, the student must submit a confidential evaluation of the rotation to the program coordinator, Kirsten Grabo (kirstencg@arizona.edu).

Student Name:  
Semester:  
Rotation Advisor:  
# of Credits:

Evaluation  
(Please assess your progress on the rotation project, the lab environment, the advisement of the PI and whether the rotation advanced your academic knowledge and experimental skills. Please indicate if you plan to do your PhD thesis in this lab.)
